CC: Central Intelligence Agency

The Congress has been referred to your agency for information in connection with the private bill introduced for the relief of Doctor Lazlo Tarnoi. Basis for this referral is your report dated September 28, 1966, CSCI - 316/04857-66. This Service has determined that the beneficiary is identical with the subject of your report. A copy of the Service report to Congress is attached.

No information was developed that Doctor Tarnoi was a Nazi or a Communist. Witnesses said that he was active during the 1930's in the Turul Association, a nonpolitical organization of college students in Hungary.

It is requested that the foregoing be included with the information furnished by your agency to the congressional committee at such time as the Committee requests information in the case.
